

Refresh is an initiative of Pittwater Uniting Church

Hi ladies,

For the past two years, the Refresh multi-denominational mentoring programme has opened the way for God's purposes to be revealed, and for His healing hand to touch the lives of women in the churches of our region.

Once again we offer an opportunity for you to be connected in a mentoring relationship with an amazing Christian woman from a church other than your own, as a way to reach out, to bring fresh insight and influence into your life, and to break down the denominational barriers that can exist between churches.

The 2009 programme will run from March to October 2009. Dates will be confirmed later in the year.

You WILL be blessed in and through this programme, because God has ordained it before any of us even had a glimpse of it. He has birthed it from somewhere deep within His plan, and has breathed life into it, anointing it with His blessings. It is for His glory and His honour that Refresh even exists!

We encourage you to take a tiny step of faith into this journey of partnership and discovery. Trust in Him, and trust in His desire to make you fly!

Love and blessings,

Tris Fahey & the beautiful multi-denominational Refresh Team
